Cynthia Farrar lit a candle in honor of Fanny.

Lord, we come to You today in the deepest grief and with such sadness that the life of Fanny, who Joaquin, Hermi, Tony, and their children all love so dearly has left us to be with You.Our hearts are filled with deep pain and sorrow for the sadness and loss that they are experiencing. Lord, we pray You give them Your peace and assurance that You are with them throughout all their pain.Thank you Lord for the knowledge that Fanny is now at rest in Your loving embrace. Thank you for the life You gave her with her family and the many happy memories that they all shared. Thank you for the comfort and protection that You have provided them and the tears You have wiped away. Thank you finally for the glorious time when they will all be reunited in Your presence.We pray this in the name of the Father, the Son, and the Holy Spirit.An the Angels song Amen
