I remember Mona well from the days of growing up in Gloversville, along with her twin sister Lois. Mona was a fun-loving person, always smiling, a happy spirit. We sometimes hung out together at her parents summer home at Sacandaga Park. Lots of good times there, and at the JCC in Gloversville. She will be remembered as a fine spirit. Jerry Kerzner

I knew Mona many years ago and just last year located her in Florida. I did not get to see her but thought of her many times. She worked with me at Eastman Dillon in New York City. A wonderful person. Jason, you were her pride and joy !!
