Dear Howard, Janice & John, Jackie & Alan, and the entire family. Please accept our deepest sympathy on your loss. We were so saddened to hear of Adele's passing. Our memories of our time spent with her (although too few) are filled with joy. She always greeted us with a big smile and an eagerness to make us feel welcome. She had a heart of gold and we will forever cherish our time together..With Love, Vincent & Michelle Tessitore

Let me extend my deepest sympathies on the passing of beautiful Adele, who always had a loving smile and a glimmer in her eyes. I was a little girl at her wedding and still recall my dear cousin when she was pregnant with each of her two daughters. The news of her passing is very emotional. May Hashem give everyone strength and always stayed filled with loving memories of Adele.
