Paul "Payce" Greenstein

JUN 1, 1920 - AUG 14, 2020

Paul "Payce" Greenstein died peacefully at home in Boca Raton on August 14, 2020 after a short illness, and a very long life, survived by his loving wife of almost 78 years, Sarah. Born June 1, 1920, Payce celebrated his 100th birthday on a Zoom video call with 45+ direct descendants, other loving family and dear friends. While his overall health was declining, his sense of humor was not, and he left an amazing legacy:

3 devoted sons and daughters-in-law: Marty (& Judith Stevens), Robert (& Barbara) & Neil (& Karen);

16 loving grandchildren (including spouses and step-grandchildren);

18 cherished great-grandchildren (including step-great grandchildren) - one born just hours before he died.

Payce's life included amazing challenges and accomplishments, and he left his mark on his native Boston, and then Florida. He survived the 20's, the Great Depression and WW II (first at the Boston/Charlestown Navy Yard, then aboard the USS Pentheus in Manila). Payce spent decades as a master electrician, founded and built two successful electrical contracting businesses (Star and Payce Electric), raised three great sons who did him proud and expanded the legacy he and Sarah launched, and outlived all of his siblings and generational family, and pretty much all of his legions of admiring friends. And he lived to see the Red Sox win four World Series! A man of infinite patience and kindness, he never had a harsh word for anyone, always had a joke for everyone and was a cherished friend to many. And Payce did all this with the love of his life, Sarah, by his side since 1942.

Funeral arrangements through Levitt & Weinstein are pending, but in line with the times, will be mainly by Zoom, with interment at Eternal Light Memorial Gardens in Boynton Beach. Limited onsite presence may be available for those who prefer.

I was shocked to hear of the passing of my cousin "Payce" I had talked to him and his wife Sarah sometime this year about his neck problem . He seemed to be in good spirits . I remember when I was a youngster in Boston he inspired me to join the boy scouts since I believe he was an Eagle Scout and had attained that rank in the organization . I am sorry I had not heard of his passing sooner since I would have liked to have attended his funeral .I remember his sons well, especially Marty with whom I believe I had the most contact. I visited his homes in Boston multiple times and was in close contact with other members of his familyOur family,the Goodmans of Florida send our sincere condolences to the Greenstein family . God bless "Payce" and may he rest in peace . Cousin Julian

Dear Sarah & wonderful Greenstein Family,I am SO sorry for your loss! Payce was the best! He was my dad's very favorite friend at Stratford Court & for many years before that as a mentor, boss & friend! Payce & Sarah were so very supportive of my mom while she was suffering from Alzheimer's & then they were a rock for my dad after she passed 6 years ago. Then while dad was sick at the end a year ago, he always counted on his 'best friends' to visit & care about him. I hope my dad, Jack Terban & Payce are together, eating dinner, playing cards, chatting with each other & my mom, Molly Terban. May Sarah & your family be well. And, may you have wonderful memories of this awesome man!Ellen Terban Cohen - Potomac, MDellencohen111@gmail.com

I am so very sorry to hear about the passing of dear Pacey. He was one of my Dad's (Jack Terban) best and oldest friends starting with their work relationship 70 years ago to their close knit Stratford Court days with my Mom Molly and your Mom Sarah. My children and I loved spending time playing 14 and sharing dinners with Pacey. He was a kind, funny, loving man. We are sending our condolences to Sarah and your entire family.
