Ah Mero! Where do I begin. My brother from another mother. You were my boy. Even though we lost touch for a moment we found our way back. I only got to speak to you over the phone, I didn't get a chance to see you in person yet. I never thought our time would be cut so short. No matter what was going on in our lives we ALWAYS had a good time. We even spent New Years together just me and you. We always danced the night away, I couldn't keep up with your ass most of the time lol. I love you my brother and I wish I could have told you so. I wish we had more time. I am sure you are partying up there and showing off your dance moves. Your big ass heart and smile will never be forgotten.

Luis as I know him, was the first resident that welcomed me to the Manors. Very jovial and caring. Those we love don't go away they walk beside us everyday. SIPARADISE S.Patricia Mulai Blg 12
