I am just finding out today that this wonderfully kind and funny man passed away. He worked for the same Home Depot team as my husband John and we were able to enjoy him and Megan's company many times on work trips. He was such a lovely person and I am crushed to hear of his passing and want to pass along my condolences and love to Megan and his daughter. I'm so sorry for your loss and hope that you find comfort in knowing how many people, close and just those who met him a handful of times were touched by his presence. Love Whitney and John Harms
