My heart goes out to the family. Helene was a special woman who truly made a difference in everyone's life. She was such a loving and caring woman who was like a "mother" to me in my time of need. I could always count on her to be there. My sincerest condolences to David, Bobby and Johnathan. She truly was a beautiful spirit. With warm thoughts Greg Weiss

Jill Weiss Harris posted:

Helene was bigger than life. She was always filled with love, compassion and the capacity for infinite patience. Smart as a whip, she was a life-long learner who cherished her husband and family. For one who was so educated and a world-traveler, her needs were simple. She wanted to be surrounded by her husband and family in love and peace. That was most important to her. She will always be remembered as a loving and devoted woman who I was fortunate enough to call my Aunt. All were lucky to have been loved by her. She will be missed terribly. May her memory be a blessing.
