Jim was the absolute best boss I ever had. He always wanted to have lunch or go for a smoke. When I was pregnant with my first child he always wanted to eat tons with me. He had such a soft heart and a kind soul. He will be missed. I'm sure he is in heaven doing all the things he loves.

Jim was the best neighbor, and we were so sad to hear of his passing. He was beloved by our boys, and went out of his way to leave them gifts and ask how they were doing. When my mother passed away over the summer, we had many tearful elevator conversations, and his kind words were so comforting and appreciated. His smile, sense of humor and kindness will be missed. Ellen and David, we are keeping you and your family in our thoughts and prayers. Kate, Jason, Alexander and Benjamin Wheeler

It's with a very heavy heart that I write these words and send my sincerest sympathies to the Molini family. Jim and I have been friends for over 30 years. There wasn't a day during that time when I spoke with him that he didn't put a smile on my face, with his humor and sharp tongue, just as he did a few weeks ago, from his hospital bed. There are so many people that Jim touched in a positive way. I know how proud he was of his son David and daughter-in-law Elissa and he often spoke about his concern for his mother's well-being. I'm sure he is cracking them up in heaven right now. Rest in peace my friend as I will miss you dearly. David Burstin and Family
