Jenn and I were about 12 or 13 years old. We went to Jones Beach with her mom and step dad, Ralph. We're swimming in the water near a group of boys close to our age, when one of them yells "SHARK"!! I panicked and literally swam right OVER Jenn, pushing her down, under the water. I can still hear her gargling under the water. I felt so bad, but we both immediately started to laugh and then yelled at the boys. Good times!! I have so many fond memories of Jenn. She just has that fun personality that everyone loves and you always want to be around her.

My Beautiful friend of 28 years you will be missed dearly. We had so many incredible memories that I will forever keep in my heart. When we met in 6th Grade who knew we would truly be life long friends. I smile through the tears thinking of our fun nights at the Teen dances at Remsen Heights & Temple Emmanuel to becoming moms and sharing all our joys and fears through the years and everything in between. We talked about getting together and having our kids meet for years and I'm so sad that the distance prevented it and now it can never happen. I miss you so much and continue to pray for your peace. I pray for your Beautiful children Makayla & Ari that they know how much you truly loved and adored them. I love you forever my friend. ❤️
