## **M**aria (Dora) Rodriguez

Maria lived a joyful and abundant life of 90 years. The youngest of 12 siblings, she immigrated to the United States at age 19. Like many of her time, she labored in the sweatshop factories of New York. With only an elementary education, she prospered, learned English, completed a cosmetology course and became a licensed Beautician. She ran a home based salon and proceeded with a passionate beauty career with Mary Kay Cosmetics taking part in the interior and exterior beautification and empowerment of women. She later put her business skills to use alongside her husband Luis and owned and operated a successful Deli/Grocery store. Throughout her life she devoted herself to God, family, friends and the needy. She was blessed with 5 children, 15 grandchildren and 9 great grandchildren. Maria was admired and respected by coworkers, friends and especially family. She accepted hardship with grace and serenity. She held great Faith, endless Hope and Love was the key ingredient in all her works especially her cooking. Idle hands she did not possess even during her last days as she still helped with household chores. We pray that she remains in God's memory.

I will forever remember you tia. I am so glad to have had you as my aunt and shall never forget how you used to comb my hair. I loved helping you with the kids. You gave me a dress made of a material called "arroz con coco", but the most wonderful thing that I shall cherish always and forever is that you always, even lately when I saw you at mass on various Sundays.....you would call me.....Consuelito.....gracias tia.
