I'm so sorry to hear that Karrie passed away. I knew her in highschool. She and her brother Pete were always together. We all were friends and had a lot of good times. I tried to reconnect with Karrie on FB but when I never heard from her I did a Google search and found this obituary. My thoughts are with her family.

In loving memory of Karen, Do not stand at my grave and weep. I do not sleep. I am a thousand suns that shine. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry. I am not there. I am beyond this life. With love and hugs to all of the family. Brad.

My Sissy was one of the most caring and compassionate people...always working to make a difference for others and so very proud of her amazing children Sami and Tyler. I have so missed our calls and funny text messages. I will always miss her twin laugh to my own (people always noticed it) and even though it is beyond difficult to know she is gone, I am relieved she is at peace and enjoying her new Angel wings....till we meet again sweet Sissy!

I'll never forget the day her daughter, Sami, graduated from high school. Karrie lit up the arena with her smile. There wasn't a prouder person in the building. She will be missed.
