Salut GaDans un cruel tour du destin, tu nous as quitté prématurément, sans avoir eu l'occasion de nous revoir, malgré ton vif désir exprimé à maintes reprises. Cette séparation est douloureuse, et ton absence est ressentie avec une intensité similaire à celle de Paola, ajoutant un poids supplémentaire à notre chagrin. Ton départ a créé un vide immense. difficile à combler.En tant que parents, chaque jour sans toi est une peine profonde. Nos cœurs sont brisés, mais sache que notre amour pour toi demeure inaltérable. Nous voulons que tu saches que tu restes à jamais notre fille chérie, et tes souvenirs resteront gravés en lettre d'or dans nos cœurs.Ainsi, nous nous accrochons aux précieux souvenirs que nous avons partagés avec toi, et nous trouverons du réconfort dans l'amour et le soutien de ceux qui nous entourent. Même si tu es partie trop tôt, ton impact sur nos vies restera indélébile. Nous continuerons à honorer ta mémoire et à chérir l'amour que tu nous as donné.Pay Poupoute et Mamie Aja

Nedje, I'm sending all the strength I have to you in this time. I think of all the beautiful proud moments we shared talking about the success of your daughter. From her grades, her intelligence, her beauty, and how proud you were of her for following her dreams and becoming a Flight Attendant. She was beautiful inside and out, just like you. Praying for calm and peace in your spirit as you remember all of the beautiful moments shared with Gaelle. Sincerely, Phyllis King.
