# Patricia Coolbroth

JAN 24, 1945 - AUG 2, 2024

**I**t is with deep sorrow that we announce the passing of Patricia Majella Coolbroth, affectionately known as Pat/Patty/Trish/Trishy, on August 2, 2024 after battling a rare and devastating illness.

Patricia was born in Moncton, New Brunswick, Canada on January 24, 1945, to Frederic Landry and Irene (Richard) Landry. Her family emigrated to the United States (Massachusetts) when she was a young girl. Although she did not speak a word of English, she quickly settled in, making lifelong friends and creating a wonderful life for herself.

She graduated from St. Jean-Baptiste High School in Lynn, MA in 1963. Following graduation, she met the love of her life, George Robert “Bob” Coolbroth. They married on May 27, 1967, and had two daughters. Pat and Bob moved their family to south Florida in 1972, making it their permanent home, having lived there for over 50 years.

Patricia was an incredible woman. She was vibrant and lively, always lighting up a room. She was a loving mother, wife, sister, daughter, grandmother, aunt, cousin and friend. You can tell how much she cherished her life and the people in it by how she documented it all - not wanting to forget a thing! She was the keeper of everyone’s memories - if you needed a photo from a certain year or special event, she was the go-to person. Her photos brought her so much joy and that included sharing them with everyone. She loved to travel, visiting many countries and going on countless cruises, always with a big group of friends! She was an avid reader, loved going to the beach, spending time with family and friends, and dancing - we can’t forget how much she loved to dance!

Patricia adored her family, as well as her friendships. There was always room for old lifelong friends, as well as new ones. No matter what stage of life she met them, each friend was special to her.

Patty was truly "One of a kind ". I've had the privilege and honor of knowing her for over 40 years, which is considered a short term friend. Patty has so many lifelong friends that she has never forgot or lost contact with over the years. My husband and I were fortunate to be part of a group of friends with Pat and Bob that traveled, partied and supported each other over 40 plus years. Our memories of our adventures and travels are priceless. Patty was always the life of the party and the glue that kept us all together. She is loved and will be missed by all that had the privilege of knowing her.

Pat was a fun loving cherished friend whom I was blessed to have in my life for over 50 years! We enjoyed traveling together with or without the guys. Whenever we visited her, we would have to play cards! Our favorite was hand, foot and elbow. Oh, how much fun we had! I will miss you so much, Pat, but the memories of our times together will always make me smile.

Pat was such a special lady! So sweet and friendly. Always taking pictures and making sure everyone was happy and taken care of. I remember her picking Colleen and I up from countless movies, parties and asking about our night, like she was one of the girls 😊. If you spent the night on a Saturday you better have clothes for church because we were going on Sunday morning. I pray for the family that they may have some small comfort knowing she is at peace and an Angel in heaven as she was on earth, watching over them. Rest in peace ❤️
