I've known Yana for nearly 20 years, our friendship started at construction company MCC. We have carried that friendship through her all adult life. She was devoted friend and carrying mothers to her own and step children. A bright professional and loving wife... No words can express my sorrow... She will always be remembered in our hearts...

"My heart and mind are deeply saddened by your sudden departure. I had little time to get to know you, but it was enough to realize what a beautiful person you were. I will carry you in my heart and mind, and I pray that God watches over your little son and family, granting them the strength to understand that you will no longer be with us. I don't know if I ever told you how special you were, and that weighs heavily on my heart. Now, I wish I could turn back time, give you a big hug, and tell you how incredible you were. I thank God for bringing you into my life, and I thank you for trusting me and allowing me to care for your skin. Rest in peace, my dear and cherished Yana."
