We had the privilege of living in the same neighborhood at Springlake II with Dominick and Lynn. We immediately became close friends and Dominick was always there to lend a helping hand with anything you needed. Dominick was one of a kind, always a positive person greeting us with a smile and would probably give you the shirt off his back if you needed it. Terry will miss his daily texts that they exchanged. God has gained a true angel for sure. Our deepest sympathies to his entire family.

Absolutely amazing man across the board. One of my treasured mentors for a long time whether it be down here or from up there now. His most recent saying when I sent pictures of my beautiful daughters with him was " children are the beauty in this crazy world " DOMA NOOTZ will live forever in my heart. My condolences to his family.
