Marshall Hopkins Lewis

JUN 29, 1943 - MAR 7, 2025

Marshall Lewis, born in Norfolk, VA, on June 29, 1943, passed away on March 7, 2025. She lived with her parents until their divorce, after which she resided with her father and grandmother. During her childhood, she moved to Annapolis, MD, to be with her mother and stepfather, Hope Zedaker and Bill Zedaker, Sr. She spent her teen years enjoying life as the eldest of seven siblings.

In high school, Marshall met her first husband, Charles Hopkins, Sr., whom she married after graduating from Annapolis High School. They moved to Towson, MD, and had two children while both worked hard to continue their educations. After her husband graduated from college and began his successful career, Marshall herself began attending college and graduated from Towson State College in 1975 with a degree in Psychology and a minor in Art.

Marshall went on to work as a medical secretary and eventually became a social worker. After their divorce, she remarried Garth Lewis, Chief Petty Officer of the British Royal Navy. They moved to Broward County, Florida, in the 1990s, where she continued her education towards her Master's degree. Marshall made friends and acquaintances wherever she went and enjoyed helping people. She loved her children, grandchildren, and her cats.

Marshall overcame health challenges and always enjoyed drawing, painting, listening to live music, and especially enjoying the beaches of sunny South Florida.

She was preceded in death by her husband Garth Lewis; Parents Hope Zedaker and Charles Collier, and Siblings Charles Collier, Cassius Zedaker, and Faith Zedaker. She is survived by her son Charles Hopkins Jr. (Priscilla), daughter Alice Hopkins (Eric Virts); Brothers William Zedaker (Robin), Lucius Zedaker, and Matthew Zedaker; Grandchildren Matthew Virts (Alexandra), John Virts (Jackeline), Aaron Hopkins, and Samuel Hopkins (Chiara); Great-grandchildren Graham Virts and James Virts. She is also survived by many nieces and nephews, Mason Zedaker, Marc Zedaker, Chip Collier, Greg Collier, Kelley Collier, David Zedaker, Emma Zedaker, Andrew Lee, and Han Chol Lee.

My names Ahmed K John Marshall Called me AJ for short. When i met Marshall i was still living in the same complex as her with my uncle sone years back. she was full of life a awesome woman of character. She helped me when i was at my lowest at that point in my life mentally i had just gotten injured at my job where i worked at and wasnt a whole lot going. One day i was walking by her apartment headed to the store when she stopped me and asked me for some help with something she could not move. And the rest was history. From that day forth we remained friends. She helped love art again she helped me appreciate my talents and what i could do she was one my hugest supporters of my clothing line and my art paintings she encouraged me to keep going even when i wanted to stop and give up. She always kept in contact to make sure that i was safe and still keeping up with my art work and drawings. Marshall never let me lose interest in my first love which was art. She will be extremely missed had a heart of gold was and angel on earth 🌍 and now she will be one watching over us in heaven. Your dearest Art buddy AJ.
