## **I**n Loving Memory of Samantha Gisselle Posso Carrasco January 10, 2008 – April 4, 2025

With deep sorrow and heavy hearts, we announce the passing of our beloved Samantha Gisselle Posso Carrasco. Samantha left this world on April 4, 2025, at just 17 years old — far too soon for those who love her, yet having lived a life overflowing with love, joy, and meaning.

Born on January 10, 2008, to Jose Luis Sr. and Leyla, Samantha was a radiant soul from the very beginning. She was the adored younger sister of Jose Luis Jr. and Fred Francisco and a cherished niece, cousin, and friend to many within her extended family and community.

Samantha had a gift for making people feel seen, loved, and celebrated. She carried a lightness in her step and a sparkle in her eyes that lit up every room she entered. Her laughter was infectious, her heart open and generous, and her presence grounding to those around her.

She had a deep passion for music, often creating her world through melodies, lyrics, and movement. She loved to dance and found joy in expressing herself through rhythm and creativity. Family was everything to Samantha. Her bond with her parents and brothers was unbreakable, rooted in unconditional love, shared memories, and endless support.

To know Samantha was to feel loved. She had a way of showing up — with a text, a hug, a word of encouragement — exactly when you needed it most. She brought comfort, color, and compassion into the lives of everyone she met. Her spirit was luminous, and the beauty of her soul will echo in the hearts of those who carry her memory forward.

Samantha is survived by her devoted parents, Jose Luis Sr. and Leyla; her beloved brothers, Jose Luis Jr. and Fred Francisco; and countless aunts, uncles, cousins, and friends who will forever hold her in their hearts.

It was a true privilege to have Samantha in my classroom, even if only for a short time. She had a quiet, gentle spirit that brought a sense of calm and kindness to our class. Her work was thoughtful and her presence, though soft-spoken, made a meaningful impact. Samantha was the kind of student who reminded me why teaching is such a gift — not because of grades or assignments, but because of the people we are lucky enough to meet. There are no words that can truly capture the sorrow of this loss. Please know that Samantha left a lasting impression, and she will be deeply missed. My heart goes out to her family during this unimaginable time. Sincerely, Mr. Spruill

Samantha was the sweetest girl ever. Regardless of whether or not she knew the person, she was unconditionally nice to them. We used to sit at the same table in lunch everyday along with a couple other friends. I remember when we all went out on Halloween to a vertical church event to hang out together and get to know each other better. It was so fun and by far the best "Halloween" ever. Even though we weren't extremely close, I still miss her presence at the lunch table everyday. I try not to get sad though because I know she's in heaven with God now. My family and I have been and will keep praying over her family and close friends. Rest in peace sweet girl. ❤️ Isabella Caranton

Samantha was my student in 6th grade at Franklin Academy Sunrise. I had the privilege and honor to get to know her and her beautiful family when Fred was a little boy. She was sweet, quiet sometimes and a very good scholar in my Spanish Speakers class. I only have happy moments with her in my memory, that's why she will be missed so much. Muchas gracias por prestarme a su hija por un corto tiempo y darme el privilegio de enseñarle. Están en mis oraciones. Que Dios les consuele y les de paz! Con mucho amor, Sra. Luna Su profesora de español y de Fred en 6to. Grado.
