Enrique Felix Peniche

MAR 29, 1944 - APR 22, 2025

Enrique Felix Peniche, admired for his gentle nature, humor, and unwavering faith, passed away on April 22, 2025. Born on March 29, 1944, was a veteran of the U.S. Army where he served his country with honor and integrity.

Henry is preceded in peace by his wife, Isabel Peniche, and is survived by his daughter Elizabeth "Lisa" Granata; his son-in-law Major (US Army, Retired) Derek M. Granata; his sister and brother in-law Silvia M. Borges and Pedro L. Borges; his nephew and niece Lieutenant Colonel (US Army Retired) Pedro F. Borges and Sylvia M. Hernandez; and numerous other cousins. Henry's family ties extend further consisting not only of blood, but also bonds of the heart through numerous friendships. Henry was the old fashioned gentleman who would take off his shirt to help anyone in need. He was cherished deeply by many, and his legacy is one of unyielding kindness and generosity.

Henry was his daughter's hero. He taught her to always be kind and generous to those less fortunate. He lifted her up when she was down and supported her throughout her life. It was an unconditional love. Nothing brought Henry, as well as Isa, more joy than knowing his daughter was happy and safe. He was very grateful knowing that Lisa had an excellent partner. To him, Derek was a blessing who loved and still loves Henry in kind.

Henry was also blessed to have a wonderful wife. He first met Isa in school in Cuba, but they didn't fall in love until they were reunited years later through their aunts. Married for nearly 58 years, they were fortunate to travel together around the world through cruises and numerous other excursions having many unique experiences they shared with family and friends.

I (Boris) remember the times he took me to my ophtalmologist and then drove me back to my house. There Isa was waiting for us sharing a good time with Annie and Ana Cristina. Always will remember his smile and his sense of humor. Will miss them both.

Dear Lisa you know I know your parents Isa and Henry since school your mom and I met since first grade at Baldor School and we became friends since then together with Martica, Rosa Maria, Miriam etc. then on our last year of high school some boys joined us in our class and there was where we met your father Henry, he was always making jokes and we had a good year with him, it wasn't until many years later that we found out that they have met in the US and gotten married that we went to visit them in New Orleans where they lived and spent a week with them, your mom and I were very good friends at school for many years and were always together in class with Martica and the rest, so now that they are gone is a very sad time for all of us but we will always have them in our hearts because they were always were our best friends (like sisters) visiting each other, having meriendas together, going to parties together, studying together, we were a great group of friends and that is something you always carry in your heart. I will always pray for her and your dad so God will have them on the eternal life. May God bless you now and forever

My brother Henry already had an car, not me. He shared it and he let me use it to go to High School in the morning. I will return home afternoon, then he will drop me off at my part-time job. He will then use it to go to his job. Thank you always my beloved brother.
