Although my time spent with Keith was brief, hearing of his passing from my parents broke my heart. We were neighbors and I had the opportunity to babysit him as a child a few times. My fondest memories of himwas how he managed to be happy and content...nothing bothered him.He was fun and lively to be around. He had great taste for movies ...introducing me to classic movies (Beetlejuice and Goonies) and let's not forget the popcorn. Keith may you rest in peace knowing that your time here brought purpose and kindness to all who crossed your path. Love, Jessica
