## **Phyllis Sands**

MAY 12, 1927 - AUG 21, 2025

**I**n my opinion, I did have the best mother in the world. My mother was my rock growing up. No matter what I went through, good or bad, negative or positive, ups and downs, she was consistently there for me with her support, which I contribute heavily to my success in life.

She was there to help guide me and push me even when I wanted to give up. I could always just pick up the phone and call her at any hour, and talk to her about anything. She never judged me, and she always loved when I would get to see her, Whether we were out doing errands or anything, or if we were just sitting around in one of our places, she was right where I wanted to be.

Joanna loved you as much as you loved her and that was a lot. Her girls, Jules and Soph will also miss you deeply. You were their GG. Joey and Chris also loved you and will miss you. Jean and Bernice will miss you dearly. Even though you and Bryan didn't get along he still always cared.

I don't know how to stop looking for you in all the places you use to be, I don't know how to stop missing someone who meant so much to me. Not a day will go by that we won't think of you.

We will always cherish the memories we had! Love you! Till we meet again!
