**Wolfson Stratton, Mindy**

Living a half block away on Miami Beach, many mornings when I didn't have a ride to Beach High, her mom would stop and ask me to hop in. It was so nice. One day Mindy said, "We will take you any day, just be downstairs at the car at 7:30." You never forget such things. I called Mindy Veronica. That is who she reminded me of from Archie comics. She was a beautiful girl. We also would go to FLamingo Park for cheer for Optimist. That was middle school.
