“ For over a decade, I had the privilege to study Torah with Sylvia every week on the phone. She is a legend in our house, my children know that when Sylvia is on the phone, they are quiet so I can hear her soft voice. I finished each study session uplifted. Sylvia had a brilliant mind and a kind soul, what better combination in a human being is there? I will miss her very much. Hindel Levitin Palm Beach, FL 347-564-8393 P.S. If someone from Sylvia's family could call/text me with an address, I would like to send something personal. Thank you

“ For over a decade, Sylvia and I studied Torah together on the phone once a week. More recently, in person as holding a book or reading was difficult for her, but she had a brilliant mind until the end of her life and was a legend in our family. Included is the last time we studied together, this past November. I will miss her very much.

“ Dear Dr. Kravitz and Rosa Maria, we are very sorry to hear about your loss. Mrs. Kravitz was a very special lady. Her classy and kindhearted personality made her one of a kind. Our prayers and thoughts are with all you. It was always a pleasure to work for her.
